I am pleased to present the Year 2000 edition of the
Municipal Officials Directory.

This year marks a new millennium and for many of us,
brings a fresh, optimistic outlook for the years and decades ahead.
That Manitoba's communities share this optimism is evident by
the spirit and enthusiasm of the more than 1,200 people serving
our local governments.

As I meet with you and get to know you, I am reminded that the
fundamental strength of our local governments depends on your willingness to invite
change, take on challenges, and make a difference to your communities.

The Municipal Officials Directory is designed to be a useful source of
information for all elected local government officials and chief administrative officers
in Manitoba. It provides mailing addresses, phone and fax numbers, and, where enhanced
communication technology is being used, e-mail addresses. It also provides the names
and contact information of the municipal organizations, several related agencies,
Manitoba Executive Council Members and Members of the Legislative Assembly,
and Manitoba Intergovernmental Affairs staff.

In the years ahead, I look forward to working with you all.

Yours sincerely,

Jean Friesen
